DIRECT DONATION DRIVE**

Dear Preschool and Gymkids Families,

Once each year the Parent Board requests a donation of \$10 or more from each participating family. This money is used for school improvements. High quality supplies are often expensive. The cost for replacing the foam barrel in the gym this year was \$862.74. As a non-profit school we rely on the generosity of our community to provide for supplies not covered by our budget. Thank you in advance for your generosity.
